“ *"Dear Family--It was such a pleasure to have been Marv and the family's Pastor for a while. It means so much to know that Marv's absence from his body means that--instantly--He is at home with his Savior, Jesus. He now will be there to greet those who follow him, those who with him trust in Jesus. In Christ with you all."*

“ *"We are praying for all of your families as you remember all the times you shared with your Dad, Grandpa, Great Grandpa! Our times with your parents, almost every weekend, camping, and dinners will never be forgotten! Marve was so proud of his family ,so devoted to their schools, and the great grand children's growth! We know he loved the Lord and is now has peace with His Savior!"*
