“ *"Memories of my Auntie Mar (my special name for her) Sunday afternoon board games Annual gift of a chocolate Easter Bunny Valiant effort to try and teach me how to float at our family's weekly Wednesday afternoon outings at DuMont Lake Hitting the deer with her car and her response to the officer when he asked if she wanted to have the deer Having my fears relieved when sitting in the dentist chair and looking up and seeing Auntie Mar, I just KNEW she wouldn't let him hurt me, I think of her every time I'm in the dentist chair Her pride in everything we and our children have accomplished in our lives Her extra prayers for us when we requested them Her unconditional love and acceptance of anyone who joined the family Her instant smile and greeting when she saw us She was my special Auntie Mar, a special lady and now a special angel I'll miss her SO much"*
