“ On behalf of the Holland Free Health Clinic, we extend our sympathies to the family of Merrie. For 15 years, Merrie selflessly volunteered her time and talents.

Merrie's commitment to improving the lives of the underserved was inspirational. Her empathy and kindness shined as a client advocate, offering comfort, and understanding to those in need. Additionally, her role as an interpreter for Spanish-speaking clients was invaluable, ensuring that language barriers did not hinder access to care. Merrie's warm smile, caring nature, and willingness to serve touched the hearts of everyone she encountered. Her legacy of love and service will forever be remembered at HFHC.

We extend our deepest sympathies to Merrie's family and loved ones during this difficult time. May they find comfort in knowing that Merrie's legacy lives on in the countless lives she touched. She will be deeply missed.
