“ Let me paint the picture, At Grandpa Michmerhuizen's cottage 2 Grown men both riding on their kids motorcycles. 1 Bob hot rod and 2 Mike knievel. Think they were on 750 Harley's but riding a Honda trail 70. As they both approach Brooks lakes edge Mike knievel drives up the dock way to fast. In an attempt to stop by skidding he slowly goes off the end of the dock. (Bike and Mike) Both sink like a lead weight on your fishing line. Only thing hurt was Mike Knievel's pride. Amazingly the bike started in the morning, no alcohol was involved!!!! lol You will be missed Uncle Mike hope you float across those great beautiful lakes on that Honda trail 70 like a CHAMP!!!! The lord is great!!!!
