“ *Sandy, you and Mike will always have a special place in my heart. In spite of Mike's obviously tenuous health, you guys walked with us through the toughest of waters and spent very little time dwelling on your own situation. You and Mike were the epitome of putting others before yourself and of always putting our heavenly Father above all else. I count myself very privileged to have had an inside look at your perpetual cheerfulness in the face of your own adversity. Sandy, you truly had one great guy in Mike. So sorry for the deep empty place that his missing will leave in your heart.*
