“ *Mike was a good friend of mine. He and my brother went to school together and in the band. He would come over all the time. I will miss Mike. I saw him in January sometime. It was great to talk with him. We talked about our family's and friends. I will keep his children in my prayers.*

“ *Mike, Dutch was our M60. Machine Gunner when we got in some deep trouble you could count on Dutch to open fire with his big gun and even though it made a loud noise things seemed to quiet down. He never ran from a fight he brought the fight to him. Love you big Mike see you in those pearly gates one day soon*
