“ Aunt Cindy. I am really sad to hear about Uncle Mike's passing. I wish we could be there with you, but just know that we are sending you love and prayers! My best memories of Uncle Mike were the times that we would bring Mom to Michigan to visit and we would get together and sing our gospel songs and laugh and talk about Jesus! Uncle Mike is surely home now with Mom!! We love you!💕

“ This hits me hard. Mike had a profound impact on my life. He was the positive role model and father figure when I needed it the most. Mike and Cindy took me in so I could finish high school when my family moved away. I will never forget what they've done for me. Mike was the most caring, forgiving, hardest working and generous person I have ever known. My deepest sympathies for Cindy, Wendy and Jeremy. My heart goes out to you. Rest in peace, Mike.
