“ I’m so sorry to hear of Michael’s passing. We have many memories singing together. I remember the many drives into Grand Rapids to choir rehearsals and the laughs we had together. It was always a joy to sing with Michael. Our families had many fun times together when our boys were little. I offer my prayers of peace and comfort to Karen, Christopher and your family.

“ Michael took voice lessons from Stuart Sharp at Hope College. His lesson time was either before or after mine, and we would always have some interaction, along with Dr. Sharp. He had the purest tenor voice. I am sorry to hear of his passing. May he rest in peace and rise in glory.

Karen sorry to hear of Michael's passing. You were so attentive to his needs as I would watch you drop off at church where he could make his way into church. Karen may you feel peace and comfort during this time of celebration of Michael's passing!

I knew Michael since he was a kid & he with his family moved to Holland MI & the family became members at Montello Park CRC.

He was a member of the FRC choir in Holland along with his wife, Karen.

I agree that Michael's voice was special!

My sympathy to Karen & extended family
