“ *"Myke, it has been almost 8 years since we really last spoke. I've thought of you many times since, wondering how and where you are. You were, naturally, very hard to find online. Reminded of you again today, I searched your name and found your obituary. It is almost the one year anniversary of your passing. I don't want to believe it. We were so close for a time, and I wish I knew more of what was going on in your life. I hate to think that I will never know. I have your crystals on my windowsill. I hope your spirit is at peace. Sending you love. You are missed."*

“ *"Myke, maybe I got to know you in a way that nobody ever did during these 7 years of our lives. 7 years with you, I still have your ring, your letters, your shirts, I still have everything. We had ups and downs and, only now I feel brave enough to write this to you. Maybe I will never get to know what really happened. Maybe well find ourselves in another life, like we promise we would."*

“ *"Michael was a great kid, spoke at length with hom on politics and freedom. A terrible loss for the world... His kindness and devotion to liberty cannot be replaced. Rest well young brother, you were one of kind."*

“Jan, Lee , and Sean: Our hearts are broken to hear about your sweet Michael. We have so many memories of him when he and our Em were close friends. One stands out to me of when they were about 6 or 7 and they were dancing and laughing at Beth M's wedding! So happy May God wrap his loving arms around you and your family and bring you comfort and peace as you remember these happy times together. With our love and prayers”
