“ Mick has had such a special place in my heart ever since he moved into Royal Park Place where I was serving as chaplain. When he baked chocolate chip cookies, the aroma would waft into my office and make me drool! He often shared about his love for his wife and family. He missed his dear wife so much! He would talk about how he served on a highly classified mission during the war and told me about the little wooden shoes he and other family members crafted (He gave me a pair that I cherish!) He would tell me I was a "good egg", and that was a high compliment. He was the ultimate "good egg" - I miss him and extend my deepest sympathies to his family and loved ones. Sincerely, Cindy Nyhoff
