“ *"All of you are in our thoughts and prayers. I reminber when Mark and the kids camped .Your parents came for a stay . Your mom would be cooking up a storm..The kids would go for a walk with your dad,and his walking stick. Your kids loved to walk with him, through the woods. They would be chatting away. Your kids loved their grandpa's listening ear,(we loved the smell of your mom's cooking). He kept them occupied,til the food was ready. He was slow to speak, but when he spoke, everyone listened,to him.. it would be a well thought out I never heard him speak a unkind word. Your dad was a wounderful role model of Our Father, He will be missed."*
