“ *What a beautiful tribute! My thoughts and prayers go out to the whole Immink family. I only knew Mitch thru working with him and his father at a local construction company years ago. I knew then that he had his life on the right path. He is gone way to soon but his memories will live on through the loving family. Rest in peace my old friend.*

“ Visiting Mitch’s hop farm & processing center was an amazing experience and an education in modern farming. The dedication he and the whole family put into the farm was apparent. He had done his research and made connections locally, nationally & worldwide. Mitch, you will certainly be missed but you left a Legacy here on earth. Now you are called for an even greater purpose. Love, the Kohner Family.
