“ *"Muriel, I've so missed you...our nights out celebrating each other's birthdays, your welcome eyes inviting everyone in...and the love that they showed...the laughter when we took off to visit the thrift shops, and actually finding something...simply put, How Great You Are/Were...and how you've ben missed since you left the apartment here on Diekema. You lit up our lives and it's never been the same since. I shall carry you in my heart always and wish I had some photos of you...but now you're with Bob and I'm so glad for that...you waited a long time, never complaining...just keeping him in your prayers and talking to him every night and day. I imagine there's a great celebration going on right now, aye Lady? I love you. Joanne P.s. So does Jessie, but she doesn't have a computer to put it all down...You know that, for sure. We'll be seeing you one of these days soon, I imagine. Joanne"*
