“ *Dearest Aunt Myrt, Almost everyday I wear a pair of earrings I got from you. They are my favorites and I think of your daily. Also have one of your collected paper weights that is a ring holder. Have used it every time I bake bread and need that place for my rings. Also have a doll from you that I am making clothes for. She will go to my granddaughter who loves dolls. You will not be forgotten. Always in our hearts.*

“ *Dear, dear Myrt. Always thinking of others before herself. Such a sweet, contented spirit. My mother-in-law, Helen, spent many hours in her beauty chairs over the years. Many others that I know also did, too. The hours she spent on the road picking up all the ladies for events to and from church and all over Holland; oh, the stories they can all tell about their excursions. She will be missed by all who knew her and a truer Christian friend, like Myrt, comes maybe once in a lifetime. Comfort knowing that she is no longer in pain, but is in glory celebrating with all the saints for eternity.*

“ Met Myrt originally when I co-opt dispensary at "Julies House of Beauty" - over 50 years ago. After beauty school I worked at "Julies" for a few years - Myrt was so wonderful to work for and with back then. Always a kind word and always encouraging to a young person entering the business. Moved to Detroit 30 years ago but would still stop in to say Hello to her. She will be missed - rest in peace Myrt.

“ Sympathy to the Hulst family in the passing of "Aunt Myrt". So many memories when I was a child playing with Uncle Harold and Aunt Marge's kids and visiting with Aunt Myrt

“ *What a wonderful woman! Myrt has always been a part of my Michigan life. I'm grateful for the friendship and partnership she and Mom had with Medallion. She was very supportive when Mom passed away last year. No doubt, they are reunited and planning their next salon. Rest in peace and God bless.*

“ *I am so thankful that we could hug and say goodbye such a short time ago.
I had a mother that I loved and she loved me....but you were the aunt/mother that made me feel special. It is a privilege to be your niece. You will be missed.
Good bye till we meet again.

“ *Working as one of the receptionists at Medallion for the last 6-7 years has been such a joy. There are so many good memories of Myrt, she liked to call us "her girls". She was a dear Christian lady who loved the Lord...what a Glorious Day for her.*

“ *I also worked for Myrt. She was the person who encouraged me to go to beauty school! I did, and then she hired me as soon as I finished. She was the best boss, and a Christian who was the real thing. She will be missed-Joyce Ver Beek*
