“ *"We love Nancy. She always wanted to show goodness to others. During the pandemic, Nancy often reached out to ME to see how I was doing while I was busy reaching out to others. She wanted to make sure that I was ok and taking care of myself. Those phone calls touched my heart deeply and were a great source of light during those difficult months of isolation. Nancy defines goodness by showing God's love to her (literal) neighbor. We'll miss you, Nancy!"*

“My sympathies to Nancy's family. She was a member of our Wednesday morning Bible study. She contributed in sharing her faith and loved to tell stories with a great sense of humor. We will miss her.”

“Keep the happy memories close. The first year is the hardest. You'll find times when sadness overwhelms you, but you'll also revel in the every day things that she did or taught you that live on.”

“As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family as you reminisce over the wonderful memories: the funny and not so funny, the happy and the sad, the events and gatherings you have shared. The love you feel for her will always be a part of you. The old cliché is so true, gone but never forgotten.”
