“ Nancy was a faithful volunteer at Spectrum Health Zeeland Community Hospital. She was a joyful person and I looked forward to seeing her the 4th Wednesday of each month at the hospital. She was a shining example of kindness, tenderness, compassion and so much more. I am saddened to have missed her memorial service but keep fond memories of her in my heart. She was a gem! “ Nancy was a great friend to me when I really needed one. In addition to being my friend, we shared the love for decorating, political talks and Jesus. She will be missed.
