“ *"We missed Nick when he couldn't come to the Appledorn Sing-a-longs anymore. I would accompany him on the piano and it was so much fun. He was really good on that harmonica and he blessed many people playing the old hymns that many knew from their youth. We are thankful for the times he could be with us."*

“ *"My sympathies go out to all of you on your loss. I took care of Nick at Heritage and will miss him everyday. Will miss kidding around with and watching him cruise the halls and play his harmonica. I am so glad I had the opportunity to take care of him. I loved him as did everyone at Heritage. He will be missed. Karen Blackport"*
