“ *"So intensely sorry for your loss. I did not know her, but I was a client of Larry's for many years. I know she was a special lady because of how Larry spoke of her. May God walk with you and your family through this time. Light and blessings on your family, Jeanne Hewitt-Fleck"*

“Larry and the Lampen family, Linda and I have fond memories of the times we had with you as a couple and as a family. The best was when we led the group of young singles. We think of the the coming with them, the tubing, the progressive dinners, the dances, the biking. They kept us all young. Pat always had a smile and concern for their spiritual welfare when we were them. She exemplified the love of God to them as she truly cared for their lives. Even all these years later whenever I see one of them they talk of the good times they had. She made a difference in their lives. In the end that difference will live on past her..Linda and I will miss her but do know she is with her Lord.Herk and Linda Vanden Bosch”

“Larry and Lampen family - I felt a mixture of sorrow and joy when Pastor Keith told us of Pat's passing. I came to know and love Pat during the short time we did the Pasta Dinners together at Evergreen Covenant Church. We shared so many laughs and a few frustrations! Pat will be missed by so many people who came to know and love her. I can close my eyes and see Pat in Heaven, resting in God's embrace and free from pain. I can hear her signature laugh. May God comfort you and your family during the difficult and lonely days ahead. I will be praying for you.”

“Larry and the Lampen family - Pat worked for us for many years but she was always way more than an employee. She had such a dry sense of humor and kept us laughing. At Pathfinders Christmas parties I always had to make sure there was enough Cajun Shrimp for Pat! There are so many memories I have of her but the one that stands out is after the economic crash of 2007 and 2008. We pay biweekly and one week she came to Larry (Van Liere) and told him to keep her paycheck. She wanted to contribute knowing we were struggling. We never told anyone and she never did either, but what a wonderful woman. So kind and thoughtful and so loyal. We loved her very much. My heart is breaking but Larry and I have all the beautiful memories of time spent with her. I will be praying for all of you as you grieve this great loss.”
