“ *"I've only know Trish for a few years and through out all of her health issues she continued to be a strong and positive women. I enjoyed and looked forward to her hair appointments with me and I am going to miss her very much! My condolences to her family and especially her grandkids, she was always talking about them."*

“Trish (Pat as I knew her in grade school and high school) and I were very close in grade school and high school. We lost touch and went our separate ways until we reconnected during her struggle with her health. She told me after her brain tumor diagnosis she was ready to be with the Lord, yet she fought on to be with her family a bit longer. Those childhood years were a time to be remembered fondly. She lost her mother so tragically at such a young age. Our family took her in as best we could. She was a fighter even then. You should have seen her dance in high school. And she could sing all the Righteous Brother songs. I'm so sorry she left us, but she is beyond pain now. Rest In Peace, dear Pat.”

“Dear Family of Trish, Trish was a devoted Mom, Grandma, and Great Grandma. Her face would shine with joy every time she talked about her "Grands". She blessed many lives including mine. Thanks be to God for bringing her home where she is free of suffering and in peace with her Lord. She will be missed. A friend from Christ Memorial Church.”

“I was a grade above Pat in school. Somehow she and I became good friends. She was in my wedding, and she worked for a very short period where I worked. Always such a nice and caring person. I feel blessed to have taken her out to lunch this past summer and did some shopping. She was hungry for a hot fudge sundae, so we had that also. Pat was and is one of God's blessings. She will be missed by all of us. Until we meet again, Pat. Many blessings. Sandi Kacos Kornoelje”

“I graduated with Tricia (we called her Pat then) from Kelloggsville HS in 1966. Pat was a sweet person and a good friend. I remember sitting on the bus with her on our Sr. Trip when we went to Washington, DC. I moved away after HS for college, then my first teaching job and again after I married. I moved to Bangladesh with my husband and 2 daughters in 1985 where we served as missionaries for 30+ years. We just retired this past year. When we had our 50th HS reunion two years ago, I started writing some of my former HS classmates in preparation for the reunion. I had never been able to attend any of the HS reunions because we were always overseas. Tricia's name came up on our reunion website and I started writing to her. I was really wishing she could come so we could meet again face to face. However, she was going through a time of physical weakness then and said she could not come. But we wrote back and forth on FB. What a joy it was to know how she had grown spiritually during these years I had not seen her and to know of how she was working in the Counseling/Care dept. of her church. I was so excited to know that! We had some great "chats" on FB about our various ministries. The last time we talked I thought it seemed like she was getting stronger. And I think she was.....inside! But the ravages of cancer took over on the outside.....and even though I am saddened and surprised to hear of her passing, I am thrilled to know she is no longer in pain and is with the Lord Jesus whom she loved and served. I want her family to know that I will be praying for you all. Trish was an amazing woman. Even though we never met face to face at our HS reunion, I will look forward to meeting her face to face at our reunion in Heaven. May God be with you all. ...Marilou (Hage) Long, Lewisberry, PA, Oct. 11, 2018”
