“ *"I had so much fun garage looking with Pat and sometime kids. never done it before I met Pat. I still have a lamp in my bedroom that I found on the floor in her barn {gas light} that was in the 70s sometime. I thought of her often, but didn't try and find her, my bad. Will miss you!"*

“ *"Pat and I had a good time growing up on the same block together. Russ her father bought a Voxhall car and we went for rides. First we went to some friends in Holland who unhooked the speedometer so we could put as many miles on it without dad knowing our milage. That was the first time I ever rode around in Ganges! We then had to go back to the friends to hook it back up. Gas was cheap back then and took us places and things to do. Can't forget the Friday night cruise up and down 8th street with the turn around at Russ'. Like the occasional cherry shakes during a break. Rest in peace Pat. Glad you were a part of my life. I have our picture on my dresser when we played dress up with your Aunt Joyce."*
