“I was fortunate enough to live a few doors down from the Sullivan's and become live long friends with the family. Pat was a awesome human being who knew what the important things were in life. I have countless memories from Mt. Prospect and Saugatuck that I will cherish forever. Thank you Pat and family for being such great neighbors and friends.”

“Carol and family, I'm was sorry to hear about Pats passing from my parents. I knew you had endured a very difficult stretch earlier this year, and I hope Pats passing was peaceful and surrounded by family. My mom and dad always spoke fondly of all the fun times at your home in Michigan with the gang of friends from Mt Prospect. My prayers are with all of you as you go through this difficult time but hopefully remember all the laughs and great memories. Peace. Steve Anderson”

“God Bless you Pat. You have always been to us, Bill, myself and all my children a fun time, kind, happy, and delightful person to have had as a friend. You will be missed....lots! I hope you find Bill up there and you both can be the fun loving young men you were back in the day when we were young and carefree. RIP Pat.”
