“ *"My deepest condolences to your family. I first met Patsy when I worked at Remember When Café in Holland, Mi. Patsy would come in almost every day. For awhile she even worked there helping prep food for the day. She was the sweetest, funniest lady I had the honor of knowing. I always looked forward to her coming in especially after winter ended and she came back to Michigan!! She was loved very much by all of us that worked at Remember When Café. Fly high with the Angels Patsy! No more pain just happiness!"*

“My heart is so heavy at the sudden loss of our dearest friend. My Mother, Becky and I own property in Gulf Shores, AL where Patsy owned her condo for many years. We always looked forward to the ending of Fall when Patsy would be loading up, all her personal items, dogs, birds, and the like, and headed to the beach for the winter! We couldn't wait for her to pull in and call as soon as she arrived, saying "I'm HERE!" We would spend the next few months every day visiting, shopping around, going to her condo for dinner, walking the dogs on the beach, and enjoying our dear friend. To my Mom, she was the sister she always wanted, and a perfect aunt for me....although, I would often refer to her as my "Michigan Mom". We loved her as much or MORE than our own extended family, and with this sudden news it is heartbreaking. The memories are so vivid and real in our minds, and she will always hold a most special place in our hearts. Patsy even joined our First Baptist Church in Gulf Shores and was baptized - such a moving moment that we were able to witness and a great testament to her faith. I pray strongly for Kim and Pam as they go through life now without their Mom.....for the Lord to send them the comfort and peace that only HE may provide. We love you Patsy forever.”
