“ *I am sorry to hear of Paul's death. We worked on several projects together when I was at First Reformed Church. I still have some beautiful notecards he made for the entire staff with our names and Reformed Church coat of arms on them. May he rest in peace and rise in glory.*

“ I remember when Uncle Paul and Aunt Hazel came to visit us when we lived in New York. We had an Italian restaurant that we ordered carry out from weekly but never dined in. He treated us all to dinner - the first of 3 times I ate there in 8 years - it was quite the big deal! I also remember visiting the newspaper and getting to play with all the notepads leaving many a drawing around the office and Grandpas house. Uncle Paul, you made us feel special and you will be truly missed.

Paul was special and always had a kind word and smile for you. I remember skiing with Paul and Hazel at Vail in Colorado. We had a fun time and made many special memories that carried us through the years.
