“ *Paul was a gem of guy. We worked in the same office years ago and he helped me survive a boss that was a bully; I am so grateful. He always had a kind word, a smile, and a mischievous twinkle in his eye! I'm glad to have known him. Linda, Ginger, and all the family - we send our sympathy and prayers to cover you at this difficult time.*

“ Back in the 1980's, Paul and Linda were members of Trinity Church. Our daughter was a baby/toddler at that time and did NOT like church nursery - except when "Grandpa Paul" was one of the attendants. He was the only one who could get her to stop crying and make her smile. I will never forget his kindness. Sincere sympathy goes to the entire family.

“ One of my wonderful memories of Uncle Paul was his laughter. It was frequent, loud and genuine.
