“ Paul and Marilee were gracious, kind and loving people who appreciated their family and the support which their family gave to them especially during the last few years of increased disabilities. As the visitation pastor for Pillar Church we had many wonderful visits and talks in their home. Their faith in the Lord and trust in the providence of God was always strong and vibrant even in the midst of ongoing dementia issues and mobility problems. It was a privilege to know them and I will miss my visits with them. I pray God's comfort and care for their family as they grieve their earthly loss.

Sincerely, Pastor Dave Sikkema
