“I am so sorry for your loss your mom was a amazing woman who I'll miss . We had lunch together last summer and I had planned on going to see her soon this is great loss . I'll always remember her as my bed partner on those long trips back from Florida in the hotels we stayed at . She was such a blessing to all that knew her and someone who I'll always miss . She gave me the photo you have in this obituary when I seen her last summer and she wrote on the back something to remember her by I told her I could never forget her . God has called her home and another angel to join the others I'll always miss you.”

“Sharon and family, your Mom was a part of my entire life. From their monthly dinners with Mom and Dad, Mike and Ethyl and Jus, their favorites always being the "steak frys" (which I never understood, since it was actually grilling)! She was one of the sweetest ladies I have ever met. Their camping trips with "Polly-Ethyl-Ene", always laughing and having a great time. May your memories bring you comfort during this time. I'm sure she's having coffee in heaven with the old gang all back together!"
