

Philip C Hoskin

June 15, 1938 - May 2, 2023

Phil Hoskin, 84, left this world May 2, 2023, comforted by the knowledge that he was well loved, that he lived his life fully, that he found knowledge, beauty and friendship throughout the many years of his human existence.

Phil was self-aware in his realization of what good fortune and opportunity had found its way to him. Through sad and difficult periods, he never lost sight of good possibilities to take hold of in the universe. He was one of many people who are not often recognized for the glory and value of day-to-day extraordinary accomplishments. Phil took charge of living a straight line from being a good son, educating himself at Albion College, serving in the U.S. Navy, then at a tender age, stepping into a lasting fifty-eight-year marriage. He was an uncommonly good father of two sons and a devoted husband. Phil never let his family down in terms of being an excellent provider and expressing an ever-present commitment to each of us. We, his family, learned from his example, of a powerful work ethic. His helpful, quiet care and leadership unfailingly demonstrated his love and trustworthiness. We could lean on him no matter what. And, he always withstood it. We will forever feel the absence of his kind and gentle presence.

Phil was preceded in death by his parents, Norman and Kathleen Hoskin and step-father, John Tachar.

Phil will be deeply missed by his wife, Carolyn; their sons, Kurt, Chad (Carrie); grandson, Zuri Hoskin; and granddaughter, Nuru Hoskin. He will also be lovingly remembered by several other family members and many friends.

A FRIENDSHIP GATHERING will be held to give Phil a farewell and a nod of gratitude for having had him live amongst us. Any remarks or stories to share about Phil would be welcomed.

Thursday, June 15, 2023 (The date of Phil's 85th birthday) from 12:30 pm to 3:00 pm at Clearbrook Restaurant, 6494 Clearbrook Dr., Saugatuck, Michigan.

In lieu of flowers, please consider a donation to Hospice of Holland in Phil's memory.

“ *Sending deepest condolences to the Hoskin Family on your loss. Phil was a valued member of our Investment Club. He joined later than most of us, but fit in immediately and became a respected member of our "club family". We relied on his knowledge and research, as well as delighted in his wit and sense of humor. He is deeply missed, but we are grateful to have enjoyed his contributions and friendship while he was with us.*
