“ *David and I were saddened to hear of Phil's passing. We met Phil at a home show when we were looking for a new furnace system. Not only did he and West Mi Heating do an outstanding job, Phil knowing that we were new to the area welcomed us into his life. He invited us to many company get-togethers like we were family, and always had such wonderful stories to tell. He was thoughtful, intelligent, a joy to be around and so very kind. Our condolences go out to Linda, Steve and Scott. We will miss him.*
