“ *"It was with great sadness that we learnt that Auntie Phyllis had passed away. She was such a gentle lady and I remember her last visit to the UK when she stayed with my late Mother Evelyn (her sister) in Taunton. My daughter Hannah and I popped in for a couple of hours to see her and I recall we had such fun with a lot of laughter that afternoon. RIP Auntie Phyllis . We send our condolences to Beverley, Mike and family at this sad time. Sheila, Bob and Hannah Grant"*

“ *"It was with sadness that we heard of the death of Aunty Phyllis. Memories go back to Harold and Phyllis living in a prefab' in Southampton with my cousins Beverley and Kim, who we saw on occasional trips to Southampton from the North of England. Since their move to the, USA meetings were necessarily only occasional but we were always greeted warmly. More recently seeing Aunty Phyllis on-line has enabled contact to be maintained. Memories too of visiting Aunty Phyllis in Southampton Hospital when I was a small child remind me of the health concerns that Aunty Phyllis coped with. Our condolences to Beverley and her family."*
