“ To Randy's wife and family, it is with a heavy heart that I offer to you my condolences on the loss of your husband/father. I worked with Randy at M.R. for many years. I enjoyed those years working with Randy going through the good times and the not so good times. Through all of that I will remember the smile he had most of time and his laughter. What comes to mind was his love for his vehicles and how he oh, would talk about them. After watching the video, you can see that he loved you all and the good times he had with you all. What a blessing that he is now free of all that pain he went through. Lifting you all up in prayer and asking for peace in this time. Timothy Patterson
