February 2, 1967 - July 26, 2023

Raymon M. Gaytan, age 56, of Rockford, and formerly of Holland, unexpectedly passed away on Wednesday, July 26, 2023, at his home.

Raymon was born in Holland raised by his beloved aunt, Olivia Rios, and grandparents, Ramon and Guadalupe Gaytan. He had a heart of gold and a contagious laugh; he was the guy that was everyone's Friend. He was the brother and Uncle you always could count on no matter the situation. He loved a good cook out and he'd bring a case of Coca Cola and a package of Pork chops because that's what he loved! He loved to listen to Rock and Roll music, Bon Jovi, Judas Priest, and his classic Mexican Music. He loved His Michigan State Spartans, Go Green! A Detroit Lions fan until the end! He was always the first for family functions and anything that related to his children. He loved his children so very much.

“ You always greeted me with a smile. When your late son lil Raymon was a former student, I loved hearing of your visits together. His humor made it difficult to discipline, his smile made me forgive him each time. He loved his Dad so much, from family to friend por siempre. Give them a hug from me. God's blessings to you all.
