“My deepest sympathy to the children of Raymond. I'm very sorry you all lost your father so soon. To his sister Concha, I can't imagine how you're feeling at this time. But I do pray with the comfort of 'your' family, you can endure yet another heartbreak. I'm so sorry Concha. I pray you find comfort that he's finally resting in peace. To his daughter Cindi. I know he had to be grateful for you being there caring for him in his last days. You showed what unconditional love for your father is. I'm very sorry. To my children, you know who you are. I'm very sorry for your loss as well. I know what he meant to you as children. And you will miss him. Love you all.”
