“ *"My deepest sympathy to all of you. I had the privilege of visiting with Reyn over the past month or so, and so enjoyed our time together. He was so charming and sharp, and had such wonderful stories. I loved the stories of the farm so much that I too had to drive by it and see it for myself. No wonder he was proud of that! Just two days before he passed, he lent me his book on WWII, but unfortunately I was unable to chat with him about it, as I was away a few days on vacation. (By the way, I did return the book, and placed with his other personal items in his room). May the care, support, and prayers from God's community continue to provide you with a safety net of comfort and peace as you face the days and weeks ahead. Royal Atrium Chaplain Mary Dewitt"*
