“ I'am deep saddened about your loss. Bob and I served in the USAF at 379th Bomb Wing Wurtsmith AFB 69-70. We were roommates and I enjoyed his friendship. He invited me on several occasions to visit his parents and sister. Great memories and just great folks!!

“ "We are so sorry to hear of Bob's death. We have good memories of seeing him and Emily after church and chatting about our special needs sons, who were classmates at West Ottawa. He was a man who truly loved his family, and we admired him for that. We send our deepest sympathy to the entire Bremer family and are sorry we are unable to attend the funeral."
