“*You will always be remembered as Missajones.. You left this world sooner than expected, but it is a blessing to know now that you are made whole... To Joy and family, it was a privealedge to call Bob a friend.. We went thru good and bad life experiences.. Bob never bailed.. Now living some 1500 miles away never changed that... Bob left my kids with many fond memories, from computer repair, coffee at bunker hill, making cement blocks for your garden, and games of Boggle with hershy bars with almonds... You will be missed my dear friend"*
