“Linda, Jim and I just heard last night about Bob's death from Don and Flora Schneider. We are both stunned and saddened. It's hard to believe someone so full of life and with a love of life and people as he had could possibly be so suddenly gone! We've missed seeing you both these last couple of years, but often wondered how you were doing. Our hearts go out to you and the family. Thanks for the tribute video. It brought back lots of memories. He will be missed!”
