“ *"Dear Vollink family, I was looking for information of a family living in the neighbourhood of Grand Rapids. Then I saw that Robert Vollink past away. I feel very sorry for all of you. I know your family because of the fact that Nancy has been at our home during a Blue lake choir trip and during a holliday visit. I have met your parents twice in your hometown. Lovely greetings from fritz bode the Netherlands. fritzbo de@gmail.com"*

“ *"Vic and Ron: So sorry about the loss of your Father. Losing a parent is so difficult. Words are not adequate to express the loss of a loved parent. May God give you all strength during this difficult time."*

“Trust this week will include time for sharing wonderful memories with family and friends. I don't have any childhood memories of family visits to MI that don't include visits to the farm for horse back riding, and tractor rides and climbing in the barn. And Uncle Bob got all of us up on water skis every summer, even if it took multiple tries. There were also those front room family gatherings with the piano and the promise of "going out for ice cream if Sandy will sing". I'm sure I was the least talented singer, but he encouraged us all and rewarded our efforts. Uncle Bob will be missed by all of his extended family, and remembered for his gentle spirit and patience. Love and and prayers to your family. Sandra VanderLugt Haines”
