“*Bob and I attended the same school and church til the age of 20. He was a bit of a loner, but what impressed me about Bob was the determination with which he set out to achieve his goals. I believe it was before he was a teenager he made his own set of barbells with a pipe and two tin cans of cement and used them religiously. Mainly my memory of Bob is that he was always a gentleman. My sympathy to Lillian and the rest of the family.*”
