“ *"Our sincere sympathies are with the family, We also enjoyed the visits made to our family while we were in Georgia, Nashville, and also in Cincinnati. Our prayers are with you and wish you all the best during this time."*

“ *"Roger, Cheryl, Drew, and families - I just wanted to send my sympathies. I know you will miss your dad, but as Christians we have the blessing of knowing that we will see our loved ones again in Heaven. Back in the 60s and 70s we had good times with your family and with Ted and Marian Heerspink. And I believe that Ted, Marian, my folks (Bob and Ann Vermeer) and your mom all met your dad at the gates of Heaven with joy! Wishing you blessings."*

“ *"Our sympathies are with you all as you are torn between the feelings of joy and clouds of tears. Many memories were made of the visits of your folks to our farm in the summertime. Your dad was such a gentle, caring man with a real love for others. It really hurts to say goodbye to our parents, but the best part is that they only have an address change and that in our turn, we will get to move to their new address, all together, with Jesus."*
