Bev and family sorry for your loss. Prayers for all. Rodger was one of those folks that could see potential in others, that others didn't see. I am one of those, Rog was one of those who spoke up for me when I applied to become a work team leader. That lead to 32 more years at HMI. Thanks Rodger! Rest well.

Bev, I'm so sorry to read about Roger's passing. Thinking about how just three months ago we sat at a table together celebrating our ZHS class reunion. So thankful that we got reacquainted and were able to share that time together. Love and prayers! Linda Vander Yacht Morrill

I am sorry to find out of Rog's passing. He hired me in 1977 and invested a lot to make me who I am today. Roger had a certain dignity to him. When he passed by, people noticed.
