“We will miss Rogers smiling face and welcoming heart. We spent 10 years going to Hobby Crest with our kids fishing, swimming, hiking and just enjoying the beautiful lake Hamlin. Roger always saved the big pontoon boat for us. He gave us such great places to visit while we were up there. Well he will be deeply missed. Such a caring person. Our deepest sympathy to his family. “We knew Roger through the Rotches. All the times we visited the Rotches' cabin, Roger came by to visit and make sure everything was ok. He was so warm and personable. Saddened as we are, we are so glad our family had the opportunity to meet such a unique person. Our sympathy goes out to his family and friends.”

“Piney Ridge will never be the same, Roger was the caretaker of the end of the road, constantly keeping an eye on who was around and helping. Years ago I was trapped in my drive way from a downed tree, I was inside the house calling someone to give me a ride when I heard a chain saw, there was Roger cutting a path so I could get to work. He was out early inspecting the wind damage and simply went right to work. I am so sad and will miss him greatly, We had a work working projected started, he was mentoring me on how to plane boards and build . Roger will be with me as I move forward and I will miss him. Peace and Love to your family. Dan King ..Piney Ridge..”
