“ *"Dear family and loved ones of Roger, I worked with Roger for over a year at Pine Rest in Pine Grove and the day program and he was a very sweet person to work with. He quickly found a special place in my heart. He would come sit by where I was working and I would tease him and share in conversation. The best was when he would come up and share a secret with you. He joined me and my family for Christmas dinner one year which is a cherished memory. We also enjoyed adventures when I took him to cutlerville days and looked at the old cars, and once we went to a library fun event where he loved the fire truck. I am so sorry to hear of his passing. I will never forget him and wish you all peace and comfort in this time."*
