“ A big brother, mentor, and friend.
Roger loved to joke around, was mischievous
in his own way. Would always love to try
nothings, was very smart and oh how he could
sell. We both learned that from our father on
the egg and vegetable route in Grand Rapids.

Also it thought both of us how to deal with people. Roger went on to
work in the chip business and ended up being regional manager.
We had lots of fun playing softball with the neighbors kids in a hay
field we all built ourselves. Building a baseball team that won the
Holland city basketball league to drag racing at Martin drag way.
And oh was he a good driver, man could he shift those gears. He
won so many trophies that they gave him cases of oil instead.
I remember being 5 years younger that Rog and him not being
home yet from work (selling chips), I would take Diane, Shawn and
Jamie to Zeeland for Ice Cream. Sometimes we would meet him on
the road and we would wave to him and he would laugh. (so much
fun) Of course I could go on and on. But to a more important point
he was a family man. He loved his wife and children- grandchildren
and great grandchildren. He worked hard and provided for them.
Most importantly he was a man of faith. I think Philippians 1: 19-21
states it best for Roger. For to me, to live is Christ and to die is gain.
My brother thought and lived his life for Christ. For I know through
your prayers and Gods provisions to me will turnout for my
deliverance I eagerly expect and hope that I will in no way be
ashamed but will have sufficient courage so that now as always
Christ will be exalted in my body, whether life or death. For to me, to
live is Christ to die is gain(Philippians 1:19-21). Can we all confide
that in Christ that we all can say to live is Christ to die is gain!!!
We all will miss him very much. And I am confident to meet him
again soon in Gods choosing.
Love your brother!!! Yours in Christ, Jack

“ We are so sorry for your loss. Many wonderful memories of your father. Once at Shelly's basketball games when your dad and Rhonda's dad would bother the referees and were asked to leave the gym. They were quite the pair. May God grant you peace and many blessed memories of your loved one. Look forward to seeing him again in Glory. I know he will be there. He was a great person and knew the Savior! With our love and sympathies. David and Mary Obrenovich and family.

“ Hello to the family and friends of Roger. My name is Adriana and I took care of him as a caregiver at Resthaven for a long time. Roger was always a happy man, he loved his wife, he loved those grandchildren, and he loved his faith. He was such a simple man to please and always grateful, a soft soul. My heart goes out to Diane and his daughter whom I would always see, and you cant forget those blondies playing hide and seek. I would always try my hardest to make sure he had his facetime calls and keep him reminded he always has his people in our hardest times of Covid-19. It was wonderful being a part of his life and getting to know everyone, time heals & god is good.

Dear family. My family owned a ice cream store in Beaverdam. Rog delivered to our store. He always had the biggest smile and was the kindest man. Our thoughts and prayers are with all of you. The Heyboer family.

We are so thankful for you and others that poured your love onto him when we were not present! Dad was my everything I couldn't have asked for a better grandpa that absolutely loved his grandchildren including my blondes that loves to play hide n seek:).
