“ *Shirley, Greg, and the rest of the family:
Esme and I were deeply saddened to hear of Greg's mother's passing. Though we never had the chance to meet her, we know how much she meant to you and your family. Please know you're in our thoughts and prayers during this difficult time. May her memory be a source of comfort and strength, and may you find peace in the love and support of those around you.*

“ Dear Kirk, Greg, Mark and respective families. Rosie had a life well lived! I hope you were able to celebrate it together.

For some reason one of my strongest memories is being at your house after church on the Sunday of the Apollo moon landing. We were all in your living room and watching it on tv. It was somehow very memorable to celebrate that unbelievable happening together with your family as we didn't really socialise all that much when we were growing up. That seems an infinity of time ago.

Sending you all my warmest thoughts. Mary, Jeff and family
