“I send this to every family member and say you have my heartfelt sympathies. Ruth was my mother in law and my childrens grandma. She has a special place in our heart and has always been a person whom loved the Lord. You should be proud of the Godly women that she was. She loved so many people and was always willing to bring Christ into others lives. She loved teaching Sunday school and was a great mother to a bunch of boys and treated others as hers even if they weren't. She will be missed. My children loved her and will always remember her as a Grandma who loved to hunt with them. We loved her and so did God. We celebrate knowing that she is dancing with Jesus,her mom and daddy whom she missed dearly."
