

Ryan Austin Buck

December 22, 1998 - November 13, 2024

Ryan Buck, age 25, of Zeeland, passed away unexpectedly on November 13, 2024. Ryan will be deeply missed, but his family finds solace in knowing that he is with his Lord and Savior who he followed passionately.

He will be forever remembered as a kind soul, a devoted husband to his beloved Kayla Buck, and an adoring father to his daughter Sloane Avery Buck. Ryan's presence brightened the lives of those around him, with his infectious humor and sarcasm, always keeping family and friends on their toes. A natural athlete, he found joy in the outdoors, especially in the game of golf and hiking adventures with his wife. “ *Ryan was one of the best friends you could ask for - if he even suspected you were having a rough day he did whatever it took to make you laugh.*

I had the joy of running track with Ryan for one season. We ran the same events, so we'd end up talking while waiting to run. He would always have something to say to make me laugh and help ease my nerves before the race would start. We had so many laughs, there was never a dull moment. Though we only got to run together for one season, it was a season I'll never forget. I'm forever thankful and grateful for his friendship. He was a rare find, and all of us who were able to be his friend were truly blessed. He is certainly missed deeply, but I'm glad I was able to know him, even if it was just for a short time

“ I had the pleasure of going to college and studying under Ryan on the Cyber Defense team. I would later join him in the same company in the workforce, and continue learning from him.

He was very wise, very witty - and he was always cool as a cucumber.

“ Ryan was one of my "kids" on the cyber team at Baker College. He was a great student, though always sarcastic and challenged me at every turn - which was good for everyone. He was a smart-aleck co-worker, that survived on that sarcastic wit and coffee. His answer to every technical issue - more coffee. Ryan - we will all miss you beyond belief. Thank you for being you! We will miss you beyond belief! <3
