“ A long time ago when Joanie and I lived in Allendale, we were visiting Sandee after evening service at RBC. During our conversation, as we all sat around the kitchen table, Sandee pointed to a cookie jar sitting on top of the upper cabinet and said, "when I get my monthly check (which, I'm sure was small), I take 10% for the Lord before I spend anything, and it goes right there ." I said to myself, "if she can do it, with your help Lord, I can do it too." And I did. Thank you Sandee.
I bet you didn't know that you taught me to be faithful. She was a faithful servant and an example.

“ We have many wonderful memories of San Dee, she was a sweet heart of a lady in so many ways. She always made me feel special. When our son Jonathan was bed ridden she tried to find a way to get a wheelchair to us for him. She wanted to help everyone she could, even retired missionaries. She will be missed but Jesus wanted her to come home to the place He prepared for her. Erwin and Edna Evans

Brenda, Barb and Braden, Thank you for sharing your wonderful mom with us. She took us to her heart as soon as we met and always gave so much. We loved her ready smile that radiated from her sparkling eyes. She always took time from her family visits to Mackinaw to spend time with us. Martin used to save his pennies up for her annual penny match shopping day with him. She was especially fond of him. But this did not match the fondness she held for her own “kiddos” and grandkids. We always got a proud and loving update. We were a happy offshoot to that enormous love. What a blessing was her life —limited in mobility —unlimited in generosity. Lovingly, Ellen Fuss
