“ I had the privilege of working with Scott for every year he was at Subaru . He was a very caring person and always went above and beyond !! He loved to do cookouts for us. He loved to be out on his boat and he was an excellent wood carver making gifts for some of us !! He was so looking forward to retirement!! You will be missed sir !! Rest in peace !!

“ I had the great pleasure of working with Scott for 8 years. He was always kind and thoughtful. He talked often about his family and The Farm. He also loved to go boating. He was very excited about his retirement and last summer working. He also had a great love of wood working and shared pieces with many of us. He was one of the hardest working people and was always there for us at work. He will be greatly missed and it was an honor to have known him. I am very sorry for your loss.

Knowing Scott when I first started here almost six years ago he was quiet and once you knew him he would open up and talk to you. Scott was a very caring person here at work and outside of work too. Scott would barbeque for folks, was always helpful at work and willing to assist you if you just asked. Scott loved wood working and was very good at it too! He had made a few gift for people and didn't ask anything in return. Scott will be missed. Thank you brother for the time I had with you. Joe Booher
