“ Sharon was my first niece. We lived in different cities so we didn't see each other often. Fortunately, we were able to spend some fun times together in recent years. A couple of years ago I was on a cruise that went to Cozumel. Bob & Sharon were there that same week. She & Bob took the time to meet me at the Margaritaville bar. We had lunch & spent the afternoon together. We had such a good time that we spent a week in San Diego a month before Covid hit. Bob, Sharon, her Dad and I were looking forward to spending a week together in Florida. We were all disappointed that we weren't able to make that trip.

I admired Sharon's positive attitude and strong faith. She was spiritually prepared to enter her everlasting home in heaven. I'm grateful we have God's promise that we will be together again.

I was privileged to take Sharon to some of her appointments. I will always remember her strength and how she liked listening to the old country songs, Willie Nelson was one of her favorite. She was always positive and I thank God that I had a short time to share a few laughs and sing with her and Willie. R.I.P. my friend.
