“ Condolences to the family. The Otte family lived just a few houses away in the Huizenga subdivision during my living there from 1953 to 1964.

I should add that I was in the same grade at ZCS and HCHS. She was a very smart and talented person. The last time I saw Sharon was the HCHS 35th reunion Sunday service at Kollen Park. She was part of the service, but came over specially to see me and our two kids who were running around the park.
